## COACHES REFLECTIONS ON 2010 AND OUTLOOK FOR 2011

When we look back on the 2010 season, we finished with a record of 5-5 and were very competitive within a schedule that included 5 playoff bound teams. Starters lost from the 2010 team include Blake Dennis, Justin Hoosier (2<sup>nd</sup> All-SCOL), Jordan Johnson (1<sup>st</sup> Team All-SCOL & All-Madison County), Jared Long, Darion Rockhold, Larry Sampson, Chris Shifflet and Jeff Yates.

As we move forward to the 2011 season we are hard at work to improve on the foundation built by these players and Coach Dennis. This work includes off season preparation in the weight room, participation in 7-on-7 passing scrimmages and spirited team camps. Our players and coaches are working to improve our intensity and aggressiveness.

Combined with this improved intensity and aggressiveness, we are focused on continuing to develop our football family. With this in mind the 2011 season motto will be:

“Let’s see what we can accomplish, if we don’t care who gets the credit”.
